Announcing Revised Code 332 brass

8-foot Diameter switches with metalfrog

AML American Mainline is pleased to announce a new Code 332 8-foot diameter switch (4' radius) in 45mm gauge. These switches are perfect for your layout and feature an insulated metal frog. This allows electric locomotives to move through the switch without hesitation. Mounting a manual groundthrow or electric switch machine of your choice is easy. **Now accepting pre-orders!**
