

Sabrina 0-4-0ST

1:19 SCALE • 45 mm GAUGE

Sabrina 0-4-0ST, Black

We are delighted to announce not one, but two, new generic 0-4-0 locomotives for 16mm (1:19) scale. After many years in production we felt was time to completely revise the 'Ragleth' design, hundreds of which have appeared in the guise of 'Edrig', 'Caradoc', 'Mortimer', 'Ragleth' and, most recently, 'Jedrig'.

In consequence we can now offer you 'Talgarth' the tank engine and 'Sabrina' the saddle tank (you'll note that we are still drawing names from Wales and the Welsh Marches!). Both are freelance locomotives with design inspirations from Manning Wardle aimed at providing a robust, entry level model which is easy to maintain and operate. Although the design is still outside-framed it now has the sophistication of simplified Walschaerts valve gear and slide valve cylinders for a smoother performance and enhanced delivery of power. As before, we will also be offering the power unit (complete with boiler) as an ideal starting point for those who might wish to scratch-build their own body in 1:19 or even 1:13.7 scale.

The locomotive is internally gas fired with a centre flue boiler. The model is gauge adjustable from 32mm ('O' gauge) to 45mm ('1' gauge) and has insulated wheels as standard. The axles run in bronze bearings and all the rods and valve gear are manufactured from stainless steel. The cab roof flips up and over sideways to give access to the gas, water and lubricator fillers. The boiler is fitted with a water level check valve and the displacement lubricator has an under-floor drain valve. The model is built from stainless steel and brass.

SPECIFICATIONS

Scale	1:19
Gauge	45 mm
Mini. radius	30 ins (0.75m)
Dimensions	13 x 7.5 x 6.5 in. (320 x 118 x 160 mm)
Construction	Brass & stainless steel
Power	Live steam, butane fired
Boiler	Centre flue
Valve gear	Simplified Walschaerts valve gear
Working pressure	60 psi
Features	Two cylinders
	Safety valve
	3/4" Pressure gauge
	Water level gauge
	Forward/Reverse lever
	Lubricator
	Insulated driving wheels
	Throttle valve
